Sunrise's efforts are only possible because of the generous support we receive from individuals and organizations, who believe everyone deserves a life that is violence-free.

Prevention

Violence is preventable.

Sunrise is dedicated to the prevention of interpersonal violence before it ever even happens. We believe that violence is not inevitable.

Everyone deserves to live a life free from violence. Preventing initial incidences of violence requires the work of an entire community. The assistance of dedicated community members like you will make a difference, right here, in Pasco County.
